

Bracket Build Sheet

EURO AXLE:
TEL: 01392 979639
EMAIL: INFO@EUROAXLE.CO.UK

Note:

There are two main types of axle brackets.

- (1) Fixing for bolt holes through centre of bracket and chassis rail.
- (2) Fixing for U-Bolt fixings holes located either side of the bracket and chassis rail.

Please measure 'B' from the front of bracket same as origin hole.
